

# RF EVENT ANNOUNCEMENT

Tuesday, May 19, 2009  
8:30AM – 5:30PM Seminar  
4PM – 8PM Open House

Lincolnshire Marriott Theater and Resort, Lincolnshire, IL

With the changes in the wireless landscape and new innovations in production wireless technology, it is now more important than ever to be on top of the principles and technology behind RF transmission. **TC Furlong Inc.** invites you to attend an all-day educational event and expo focusing on production wireless.

## THE SEMINAR – 8:30A-5:30P Admission fee required

**James Stoffo**, one of the foremost wireless technicians and experts, will be presenting a comprehensive, interactive seminar. Stoffo was the founder of Professional Wireless Systems and has event credits including **13 Super Bowls** and many other high-profile events.

The seminar will be presented in a small-group format with ample opportunity for questions and answers.

Topics to include:

- RF “Wargames” – Practical advice for RF production
- Changes in the wireless spectrum
- An overview of RF transmission
- Proper antenna usage and specification
- Tools for success: RF scanners, specialty antennas and cables
- In-depth frequency coordination

Discount early-bird registration (before May 8): \$100 (\$60 student)

Standard registration (after May 8): \$120

Full-time student discount registration: \$80

Registration includes lunch, coffee breaks, seminar materials, and early access to the Open House during breaks.

A limited number of non-profit registrations are available at the discounted rate – please call for availability. A discount of 10% is available for groups of 4 or more from the same organization who register at the same time.

## THE OPEN HOUSE – 4P-8P Free Event

A “trade-show” style open house featuring prominent manufacturers of wireless microphones, in-ear monitors, and intercom systems. Get hands-on time with the latest products from manufacturers including:

- AKG
- Clear-Com
- HME
- Professional Wireless Systems
- Quantum5X
- Sennheiser
- Shure

Factory representatives will be on-hand to demonstrate the equipment and answer your questions.

The open house also features complimentary hors d’oeuvres, giveaways, and industry networking opportunities.

There is no charge for the open house, but space is limited.

Contact us to reserve your spot as soon as possible.

**This is essential information for anyone involved in audio production:  
Sound Engineers and Technicians, Broadcast Engineers, Sound Designers,  
A/V Consultants, and House of Worship Technical Staff.**

Contact **TC Furlong Inc.** at **847.367.9588** or email **rfevent@tcfurlong.com** to register for the seminar or to reserve your space at the open house!
